CERTIFICATES.

Letter from the Hon. Abraham McClellan, Sullivan County, East Tennessee, Member of Congress.
WASHINGTON, July 3d, 1838.

Sir—Since I have been in this city, I have used some of your Dyspeptic medicine with infinite benefit and satisfaction, and believe it to be a most valuable remedy. One of my constituents, Dr. A. Garden, of Campbell county, Tennessee, wrote me to send him some, which I did, and he had employed it very successfully in his practice, and says it is invaluable. Mr. Johnson, your agent at this place, thinks you would probably like at agent in Tennessee. If so, I would recommend Dr. A. Garden as a proper person to officiate for the sale of your celebrated medicine. Should you commission him, he is willing to act for you. You can send the medicine by water to the care of Robert King & Sons, Knoxville county, Tennessee, or by land to Graham & Houston Tazewell, East Tenn. I have no doubt but if you had agents in several counties in East Tennessee, a great deal of your medicine would be sold. I am going to take some of it home with me for my own use, and that of my friends, and should like to hear from you whether you would like an agent at Blountville, Sullivan county East Tenn. I can get some of the merchants to act for you, as I live near there.

ABRAHAM McCLELLAN, of Tenn.
To Dr. Wm. Evans, 100 Chatham st. N. Y.

ABRAHAM J. CREMER, residing at 66 Mott street, New York, was afflicted with Dyspepsia in its most aggravated form. The symptoms were violent headache, great debility, fever, costiveness, cough, heartburn, pain in the chest, and stomach—always after eating, impaired appetite, sensation of sinking at the stomach, turned tongue, nausea, with restlessness. These had continued upwards of twelve months, when on consulting Dr. Wm. Evans, 100 Chatham street, and submitting to his over successful and agreeable mode of treatment, the patient was completely restored to health in the short space of one month, and grateful for the incalculable benefit derived, gladly came forward and volunteered the above statement.

Dr. Wm. Evans' Medical Office, 100 Chatham street, New York.

THE FOLLOWING CERTIFICATE was handed to me by Mr. Van Schick, of Albany, a highly respectable member of the community, and whose veracity cannot be doubted:

Mr. Septimus Kendall, of the town of Westerlo, county of Albany, was for about 2 years troubled with a nervous and bilious affection, which for 7 years rendered him unable to attend to his business, and during the last three years of his illness was confined to the house. His symptoms were dizziness, pain in the head and side, palpitation of the heart, want of appetite &c. After expending curing his confinement, nearly three hundred dollars without obtaining any permanent relief, he by accident noticed an advertisement of Dr. Wm. Evans' Cambric and Aperient Pills, and was consequently induced to make a trial of them. After using them about a fortnight, he was able to walk out in four months he could attend to business, and considered his disease entirely removed. The above information was given to the subscriber by Mr. Kendall himself, there can, therefore be no deception.

STEPHEN VAN SCHICK.

Another very severe of Inflammatory Rheumatism cured by Dr. Wm. Evans' Medicine.—Mr. John A. Carroll, of the county of Westchester, town of North Castle, New York, had been severely afflicted with inflammatory rheumatism for fourteen months with violent pains in his limbs, great heat, excessive thirst, dryness of skin, limbs much swollen, was not able without assistance to turn in bed for six weeks. Had tried various remedies to no effect. Was advised by a friend of his to procure some of Dr. Wm. Evans' medicine of 100 Chatham street, New York, which he immediately sent for; and after taking the first dose found great relief, and in continuing its use according to the directions for ten days, was perfectly cured. Allow me to refer any person to him for the truth of the above statement.

HUNT'S PILLS, a never failing and efficacious remedy for those dreaded foes of human happiness Dyspepsia, Consumption and Liver Complaint, and the whole train of morbidly affection arising from diseases of the Stomach, Liver, Bowels and Lungs.

Sold at the Office, 1 Chatham street, N. York.

DR. HUNT'S CELEBRATED PILLS,

FOR CONSUMPTION, DYSPEPSIA, AND LIVER COMPLAINT, &c.

As the enjoyment of health depends on preserving the functions of the Stomach, Liver, Intestines and Lungs, in a healthy and vigorous state, through the operations of which the body receives its growth, its nutrition, its support, it can no longer be astonishing that when these viscera are deranged, and cannot perform their proper functions, the whole system suffers and becomes disordered. Knowing this to be a sound and demonstrated fact, in science and experience, Doctor HUNT'S SYSTEM OF PRACTICE is in accordance with it. He aims to keep the Stomach, Lungs and the Liver, in vigorous and healthy action, as the three great fountains of health and life. For this purpose his pills are compounded of herbs, which strengthen and equalize the action of the heart, and give an impulse or strength to the arterial system, at the same time quicken the action of the absorbent and discharging vessels; and as all the secretions are drawn from the blood, any morbid action which may have taken place is removed, all obstructions are overcome, the blood is purified, and the body assumes a healthy state.

These pills give tone to the stomach, increase the appetite, and eminently expel all acid or morbid matter through the excretory ducts into the passage of the bowels. In all cases of Consumption, Indigestion or Dyspepsia, Bilious Affections, or Liver Complaints, Heartburn, Sourness or Acidity in the Stomach, Tightness at the Chest, Loss of Appetite, Sick Head Ache, Pains in the Head, Back, Limbs and Side, Flatulency, Typhus and Scarlet Fever, Putrid Sore Throat, Fever and Ague, or Intermitting Fevers, Gout, Rheumatism, Lumbago, Sciatica, Spasmodic Affections, and the Doctress, Convulsions of Children, Measles, Small Pox, Hooping Cough, Rickets, Teething, Worms, Female Obstructions, Chlorosis or Green Sickness, and Rejections of Food, and Costiveness, Colic, whether flatulent or bilious, follow the DIRECTIONS.

Dose.—Take from three to ten pills, till they operate, two or three times daily. The use of the pills must be persevered in till a cure is effected.

INTERESTING AND APPLICABLE TO THE AFFLICTED WITH DISEASES OF THE STOMACH, OR NERVES;

Such as DYSPEPSIA, either Chronic or casual; under the most symptoms of restlessness; Lowness of Spirits and General Enervation; CONSUMPTION, whether of the Lungs or Liver, LIVER AFFECTIONS, JAUNDICE, both Bilious and Spasmodic; Costiveness; Worms of every variety; Rheumatism, whether Acute or chronic; together with GOUT, Sciatica, Pains in the Head, Back, Limbs, and Side, Typhus Fever, SCARLET FEVER, Putrid Sore Throat, FEVER AND AGUE, Spasmodic Palpitation of the Heart and Arteries, Nervous Irritability, Nervous Weakness, Hysteria, the Doctress Cramps, Female Obstructions, Heartburn, Headache, Cough, the Common or humid, and the Dry or the Whooping; ASTHMA, Gravel and Dropsy.

The Blood has hitherto been considered by Physicians and others, as the great regulator of the human system, and such is the devotedness of the adherents to that erroneous doctrine, that they content themselves with the simple possession of this fallacious opinion, without enquiring if to the primary sources from whence Life, Health, and vigour emanate, and vice versa, can sickness, disease and death. Not so with DR. HUNT—whose extensive research and practical experience so eminently qualify him for the profession of which he has been one of the most useful members. He contends—and a moment's reflection will convince any reasoning mind of the correctness of his views—that the stomach, liver and the associated organs are the primary and great regulators of health, and that the blood in very many instances is totally disconnected with the first and succeeding stages of disease, and that unless a medicine reach the root of the disease, the superficial remedies usually prescribed, serve but as sails to cover the ravages of deep-rooted maladies. Under these convictions, at the expense of years of close application, the doctor has discovered a medicine whose searching powers are irresistible, and in prescribing it, it is with a firm conviction of its being a radical cure in the various diseases already enumerated, even if applied in the most critical cases, but he does not pretend to ascribe to

Dr. Wm. Evans' Medicine—DYSPEPSIA, TEN YEARS STANDING.—Mr. J. McKENZIE, 176 Stanton street, was afflicted with a bilious complaint for ten years, which incapacitated him at intervals, for the period of six years, attending to his business, restored to perfect health under the salutary treatment of Dr. Wm. Evans.

The symptoms were—A sense of distension and oppression after eating, distressing pain in the pit of the stomach, nausea, impaired appetite, giddiness, palpitation of the heart, great debility and enervation, depression of spirits, disturbed rest, sometimes a bilious vomiting, and pain in the right side, an extreme degree of languor and faintness; any endeavour to pursue his business causing immediate exhaustion and weariness.

Mr. McKenzie is daily attending to his business, and none of the above symptoms have recurred since he used the medicine. He is now a strong and healthy man. He resorted to myriads of remedies, but they were all ineffectual. He is willing to give any information to the afflicted respecting the inestimable benefit rendered to him by the use of Dr. Wm. Evans' medicine.

The above Medicine can be procured of all Dr. Wm. Evans' advertised agents in the United States, and throughout the World.

Dr. Evans, in order to prevent the patrons of his Medicine being imposed upon by counterfeits, has had the labels of all his medicines entered according to act of Congress. He requests them therefore, to be particular in seeing that the labels contain the following notice:—

"Entered according to act of Congress by W. Evans, in the year 1839, in the Clerk's Office of the Southern District Court of New-York."
